BLM's NMs and NCAs 9-18-2017.docx

Sally -

Sorry I had thought I sent this two weeks ago and just found it in my drafts. My apologies.

All but three NMs/NCAs & Other Similar Designations have their own individual Organizational Codes. There are Bears Ears & Gold Butte both new and waiting on the Monument review, the last being Sloan Canyon which shares with Red Rocks but are looking into creating its distinctive Organization Code.

I did find a few sites having Organizational Codes but not utilizing them in the past. I have encourage them to use their identified Org Codes as directed through our policy.
